

Welcome to

# SHEPRETH WILDLIFE PARK

## SAFETY

Animals naturally carry a range of microorganisms. Some can be transmitted to humans and cause ill health. Some infections can present a serious hazard, but the risks are readily controlled by paying attention to basic hygiene measures:

- Cover cuts and grazes with a waterproof dressing
  - Wear suitable footwear, e.g. boots, and clothing that can easily be washed after your visit
  - Hands must be washed after touching animals, before eating or drinking and before leaving
  - Children must be supervised to ensure correct hand-washing (facilities shown overleaf)
  - Eat only in designated areas (shown overleaf)
  - Do not eat food fallen on the ground
  - Do not suck fingers, pens, etc.
  - Do not taste animal food if you are taking part in one of our VIP experiences
  - Clean footwear after your visit and don't forget to wash hands after handling dirty shoes
  - If any visitor shows signs of illness after a visit, please advise them to go to a GP
  - Do not pick up tools unless specifically permitted by a member of staff
  - Do not climb walls or fences or go into any area not specifically designated as open to the public
  - Do not throw stones or other objects at any animal
  - No animal feeding is permitted of any kind, unless on a pre-booked VIP experience
  - No running except in the play area, where children must be supervised
  - No balls, ball games, scooters, skateboards or bicycles permitted
  - Only one child at a time on the trampoline
  - Restricted number of children using Ringo's Play Zone. Strictly no use for visiting groups
  - No smoking permitted anywhere on-site
  - Children must be supervised at all times by an adult over the age of 16 years old
- 

## LOST CHILD

If you have lost a member of your party, please notify a member of our Gift Shop staff immediately who will arrange a search team.

## FIRST AID

If you require first aid, please seek assistance from the Gift Shop or any member of staff. First aid boxes are located in all staffed visitor buildings.
