HEALTH AND SAFETY ADVICE

All animals naturally carry a range of microorganisms, some of which can be transmitted to humans and cause ill health. Some infections which may be contracted at animal collections can present a serious hazard, but the risks are readily controlled by paying attention to basic hygiene measures.

Check cuts and grazes are covered with a waterproof dressing.

Wear suitable footwear, i.e., boots, not sandals, and clothing that can easily be washed after your visit.

Hands must be washed after touching animals, before eating or drinking and before leaving the Wildlife Park.

Those in charge of children should supervise and ensure correct hand-washing procedure:

- 🐾 Wet hands
- 🐾 Rub plenty of soap all over hands and especially under nails
- 🐾 Rinse with plenty of running water

Hand-washing facilities are shown on the Wildlife Park map.

- 🐾 Eat only in designated areas
- 🐾 Do not eat food fallen to the ground
- 🐾 Do not suck fingers, thumbs, pens, etc.

If a member of your group shows any signs of illness (e.g. sickness or diarrhoea) after a visit, advise them to visit a doctor and explain they have been in recent contact with animals.

Please arrange to meet your party guests at the entrance to the Gift Shop, and then make your way to the admission desk together. Parents can collect their children from the Gift Shop at the end of the party.

Clean boots after your visit and don't forget to wash hands after handling dirty boots.

CODE OF SAFE BEHAVIOUR

While every effort is made to ensure Shepreth Wildlife Park is a safe environment for your visit, we remind you that children must be kept under strict supervision at all times and remain your responsibility.

Do not pick up tools or animals unless specifically permitted by a member of Wildlife Park staff.

Do not climb walls or fences or go into any area not specifically designated as open to the public.

Always approach animals quietly and gently. Do not chase or tease any animals. Do not throw stones or any other objects at any animal.

Do not feed the animals.

No running is allowed on or around the Wildlife Park.

No balls or ball games are permitted on the Wildlife Park.

Please be respectful of other visitors to the wildlife park during your visit.

Please pick up and dispose of all your litter in the bins provided.

No smoking is permitted around the grounds.

Please read all signs on the Wildlife Park. They are for your safety as well as the animals'.

Failure to comply with these rules may result in you being asked to leave the premises without a refund.
