

I am going to

SHEPRETH

WILDLIFE PARK

BEFORE I GO TO SHEPRETH WILDLIFE PARK

I can look on the website or map to see what animals I might see.

ARRIVING AT THE WILDLIFE PARK

I will be coming to the Wildlife Park for the day.

I will go into the Gift Shop to get my ticket. I may have to queue. I will need to stand quietly and in line to wait my turn.

VISITING THE WILDLIFE PARK

I will need to stay with my adult when I am at the Wildlife Park.

If I cannot find my adult, I will find someone who works at the Wildlife Park.

Wildlife Park staff have uniforms on, and I can wait with them until we find my group.

VISITING THE WILDLIFE PARK

I will not touch any of the animals.

I will not climb on the walls or fences.

THE ANIMALS I MIGHT SEE AT THE WILDLIFE PARK

I will see lots of different animals at the Wildlife Park.

FREE ROAMING ANIMALS

These animals can go wherever they like. I must not touch or chase them as this can make them scared.

FREE FLYING BATS

I might see the bats in the bats house.

It will be dark in the bat house and the bats might fly close to me. This is because they are nocturnal so wake up when it is nighttime.

I will stay quiet and walk sensibly, so I don't scare the bats.

THE ANIMALS I MIGHT SEE AT THE WILDLIFE PARK

ENCLOSURES I CAN GO INTO

I can walk through the wallaby and rabbit enclosures.

The animals in these areas can go wherever they like. I must not touch or chase them as this can make them scared. I will not feed these animals as they have to eat special zoo food.

It can get very loud in here sometimes.

If I want quiet times in the Discovery Centre, I need to go after 3.30pm.

I might listen to a keeper talk. When they have finished talking, I can ask questions.

The tiger talk can sometimes be busy with lots of people around.

I can eat it inside or outside on the picnic tables.

If it is busy I may have to wait for my lunch to be made.

I can eat my packed lunch on the picnic benches around the park.
